Practice Exam

Name:	Period:	Date:

1. This is a placeholder document for the Macromedia Director version of the CSS courseware. This document is part of the planned features that will be included in future updates of the CSS courseware.

2. When this document is complete, it will be included in an update file sent to your instructor. Your instructor will then update your version of the CSS courseware using this file.

3. Since this assignment is not ready right now, please skip on to the next available assignment.
